## Reviewing this document

We will review this TMD within one year from the effective date this TMD was prepared to ensure it remains appropriate and in compliance with the objectives, financial situations and needs of the customer.

Furthermore, we will also review this TMD if any event or circumstances (called 'review triggers') occur that would reasonably suggest that the determination is no longer appropriate, such as:

- We make a material change to the cover provided by the product.
- A change in our acceptance criteria that impacts on the suitability of the product for the target market.
- A material change to the distribution of the product.
- The discovery of a relevant and material deficiency in the product's disclosure documentation.
- Systemic complaints and claims issues which indicate that the product is no longer suitable for the described target market.
- Material and relevant reductions in our key product suitability metrics such as:
  - Customer satisfaction.
  - Product acceptance.
  - Financial performance.
  - Benefits to customers.
  - Product value and affordability.

We will review this TMD within 10 business days of the occurrence of any review trigger.

## Reporting

We record all complaints received about this product on a weekly basis (Complaints Reporting Period). Our distributors of this product are required to provide to us written details of any complaints about the product they have received during the Complaints Reporting Period within 10 business days of the end of the period.

Our distributors and their representatives are also required to report to us if they become aware of significant dealing in this product which is not consistent with this TMD within 10 business days of becoming aware of such dealing.

If the complaints are systemic and indicate that this product is no longer suitable for the described target market, we will review and update the TMD within the timeframe indicated above.

## Record keeping

We will maintain records of the reasonable steps they have taken to ensure that this product is sold in a manner consistent with this TMD.

We will also prepare and maintain complete and accurate records of our decisions, and the reasons for those decisions, in relation to:

- All target market determinations for this product.
- Identifying and tracking review triggers.
- Setting review periods, and
- Any other matters documented in this TMD.
